SUBJECT No. 445.

Miscellaneous application to civil courts requiring adjudication.

Mr. C. Krishnamurti, Law Association, Bangalore.

Summary of Representation.—Every miscellaneous application to civil courts requiring adjudication should be accompanied with a copy thereof to be furnished to the other party for facilitating its early disposal.

SUBJECT No. 446.

Notice to complainants in criminal appeals.

Messrs. A. Narasimhaiya and Lingegowda, Malvalli taluk.

Summary of Representation.—Criminal appeals are disposed of without notice to the complainants and the judgments in such cases will therefore be one-sided. This affords undue advantage to the culprits. It is desirable that the complainants should also be served with notices as in the case of civil appeals and their representations, if any, be duly heard.

SUBJECT No. 447.

Civil jurisdiction.

Mr K. Ramanna, Hole-Narsipur taluk.

Summary of Representation.—The civil jurisdiction over the hoblis of Mirle, Saligrama and Hosa Agrahara of the Yedatore taluk were transferred to the Munsiff's Court at Hole-Narsipur. But cases of the value of above Rs. 50 and less than Rs. 100 are being tried by the Sub-Judge, Mysore, as small cause cases. As this practice has led to great inconvenience, it is prayed that the entire civil jurisdiction may be transferred to the Munsiff's Court at Hole-Narsipur.

SUBJECT No. 448.

Filing judicial records.

Messrs. Padmanna and K. Venkatasamaiya, Nanjangud taluk, and H. Narasinga Rao, Bar Association, Mysore.

Summary of Representation.—Formerly, disposed of records of the civil courts were being filed according to the year and number. Now they are being filed in the order of the dates of disposal and this causes a lot of trouble in picking up references. It is therefore prayed that the old method of filing records according to number and year be revived.

SUBJECT No. 449.

Summoning of females to criminal courts.

Messrs. G. Venkataramana Setti and G. Narasimhachar, T.-Narsipur taluk.

Summary of Representation.—Out of *Zid* or malice, women belonging to respectable families are cited as witnesses and the magistrates enforce their personal attendance at criminal courts. It is therefore prayed that a ruling may be made that such women may be examined at their residence.

SUBJECT No. 450.

Parties, etc., in civil, revenue and criminal cases to be granted chits of dates of hearing.

Messrs. Padmanna and K. Venkatasamaiya, Nanjangud taluk.

Summary of Representation.—Parties and witnesses appearing in civil, criminal and revenue courts are in a majority of cases illiterate and do not entertain pleaders on their behalf. When the cases are adjourned, they are not in a position to know exactly when they should attend the courts. So it is prayed that circular orders be issued to all the courts to give a chit with the hearing date noted on it.

SUBJECT No. 451.

Abolition of the rule directing the applicants to give the date of disposal in the copy applications.

Messrs. B. Narasinga Rao, Seringapatam taluk, and Gundappa, Mysore District Board.

Summary of Representation.—When applications are made for copies of judicial records, the applicants are required to mention in their applications, the date of disposal of the case which they will not be able to know. Copies may be ordered to be granted, if the year and the number of the case are given.
